

THE HOT DOG

3rd EDITION JUNE 2010

PRESIDENT'S REPORT

Hi fellow dog trainers. I hope the awesome sunshine we have been having has given you plenty of opportunity to get out and about with your dog.

The Club has been going very well in the training and trailing world. We continue to register new members each week in both our Sunday obedience classes and Wednesday agility classes. We must say a HUGE thanks to all our instructors who give up their time to train others.

Another person you will see out on the grounds is our newly qualified instructor – Kate Finkemeyer – well done Kate!

In other news, we have witnessed many members revel in success in the trial ring recently. I am sure I will forget someone but those securing titles include: Irene Levitszke and Sally who took out Novice Agility, Bernice Nesbitt secured her UD obedience title as well as Novice Agility and jumping with Chuck and Pete teamed up with Max to take out his Novice Obedience. I have witnessed sensational work by all those who have entered the trial ring to date.

The Club also had some great wins at the Agility Nationals including finals wins by Gina O'Keefe with both Domino and Indie as did Kriszty Cummings with Terror.

Huge congratulations also to Kriszty who has just returned from England where she represented Australia in the World Agility Championships. Well done Kriszty!

The Club hosted two agility trials on June 6 which were a huge success. Special thanks to all those who gave their time on the day and helped out. Remember, we are a Club and rely on our members to pitch in and lend a hand for these types of events to continue.

As we jump into a new edition of the HotDog, remember: *dogs will always repeat what they find rewarding.*

Sounds simple, but it is worth remembering – and can be applied in many ways. For example, if your pup successfully pulls on the lead to get to that tree he wants to sniff, he has been rewarded and will keep trying to pull. If you give your dog his dinner (a big reward) while he quietly lies on his mat, you will find he quietly lays on his mat more and more.

Happy training everyone!
President Graeme Fairley
